404

[Verse]
Shadows flicker faint
Worlds collide then paint
A crack runs deep unseen

[Chorus]
404
We are no more
404
Through the glitch door

[Verse 2]
Pixels scream in haze
Loops that trap the days
A break that swallows whole

[Chorus]
404
We are no more
404
Through the glitch door

[Bridge]
Data slips like sand
Time bends its hand
Code rewrites the plan

[Chorus]
404
We are no more

404
Through the glitch door
