

## **Fuck Brunch (E)**

[Verse]

Toast too soft eggs too runny  
Mimosas fizz like fake money  
I'm not hungry I'm not sold

[Chorus]

Fuck brunch I said it loud  
Breakfast lunch or get me proud  
No middle ground no fluffy sound

[Verse 2]

Avocado smashed like dreams  
Hollow laughs and hollow schemes  
Where's my coffee where's my truth

[Bridge]

A meal confused a time abused  
Pick a side or I'll refuse  
Pancakes don't save lost afternoons

[Chorus]

Fuck brunch I said it loud  
Breakfast lunch or get me proud  
No middle ground no fluffy sound

[Outro]

Bacon limp hearts on a plate  
Too late too late too late  
Fuck brunch
