

KitKatClub

[Verse]

Lights so low can't see your name
Bodies press no rules no shame
Flesh and heat a wicked game

[Chorus]

Ohhh ohhh KitKatClub
Mmm yeah KitKatClub
Ahhh ahhh KitKatClub

[Verse 2]

Leather tight chains that bite
Secrets lost in neon light
Lust runs wild all through the night

[Chorus]

Ohhh ohhh KitKatClub
Mmm yeah KitKatClub
Ahhh ahhh KitKatClub

[Bridge]

Sweat drips slow down your spine
Rhythm owns you lose all time
Nothing's holy nothing's mine

[Chorus]

Ohhh ohhh KitKatClub
Mmm yeah KitKatClub
Ahhh ahhh KitKatClub
