

Raccoons

Verse]

Ugly hands in the trash they dive
Shiny things make their eyes alive
Take the scraps they don't survive

[Chorus]

Raccoons raccoons
Never too soon
Raccoons raccoons
Under the moon

[Verse 2]

Pockets deep but hearts so hollow
Steal today and sell tomorrow
Empty trails the rest just follow

[Chorus]

Raccoons raccoons
Never too soon
Raccoons raccoons
Under the moon

[Bridge]

Claw the gold from every stone
Hoard the earth then leave alone
Raccoon kingdoms on their throne

[Chorus]

Raccoons raccoons
Never too soon

Raccoons raccoons
Under the moon
