

## **Turn the Wheel**

[Verse]

Shadows crawl slow  
Underneath the neon glow  
Breathless silence

[Chorus]

Turn the wheel  
Turn the wheel  
Nothing's real

[Verse 2]

Mirrors break apart  
Fractures in the dark  
Time dissolves

[Bridge]

Circles spin  
Again again  
Lost within

[Chorus]

Turn the wheel  
Turn the wheel  
Nothing's real
