

Valley Dolls

[Verse]

Painted skies in a paper fold
Whispers rise from caves of gold
Shapes are breathing
Tales untold

[Chorus]

Valley dolls
Valley dolls
They move
They fall
They call
Valley dolls

[Verse 2]

Eyes like mirrors
Bending light
Colors drip
Day turns to night
Endless stairways out of sight

[Chorus]

Valley dolls
Valley dolls
They spin
They crawl
They stall
Valley dolls

[Bridge]

A door without a wall
A name you cannot call
A rhythm with no beat at all

[Chorus]

Valley dolls
Valley dolls
They laugh
They stall
They brawl
Valley dolls
