

## **We Drill. We Burn. We Take.**

(Intro)

I walk through a life  
That wants me dead.  
I can't breathe.  
I can't breathe.

(Chorus)

We drill.  
We burn.  
We take.

We drill.  
We burn.  
We take.

(Verse)

I hear the waves  
Like a warning.  
I hear the wind  
Like a countdown.  
The night is full  
Of shadows  
We created.  
And monsters.

(Chorus)

We drill.  
We burn.  
We take.

We drill.  
We burn.  
We take.

We drill.  
We burn.  
We take.

We drill.  
We burn.  
We take.

(Outro)  
We drill.  
We burn.  
We take.

I can't breathe.  
I can't breathe.
