

Buzz

Tiny light, electric thrill
Waiting hands, the time stands still
Every beep's another kill

Buzz buzz buzz
Blue notification
Buzz buzz buzz
Pure fixation
Buzz buzz buzz
Desperation

Buzz buzz buzz
Desperation

Screens awake at every chime
Hope repeats, a loop in time
Every buzz a fleeting drug

Blue ticks — she read it
Two minutes — she read it
Two hours — she read it
She doesn't want me
