

## **Glass Mind**

Glass mind  
Glass mind  
Let it go  
Glass mind

Fragile thoughts in crystal air  
Break apart, but still they stare  
Silence sharp, reflection bare

Shattered light across the floor  
Every piece reveals me more  
Broken glass becomes my core

Glass mind  
Shatter slow  
Glass mind  
Let it go  
Let it go  
Let it go  
Let it go  
Let  
It  
Go  
Glass mind

Echoes ring through hollow skies  
Every truth a thin disguise  
Every crack becomes a door

See-through lies, see-through skies

Truth is clear, it never dies

Glass mind  
Shatter slow  
Glass mind  
Let it go

Glass mind  
Shatter slow  
Glass mind  
Let it go  
Let it go  
Let it go  
Let it go  
Let  
It  
Go  
Glass mind
