

Eternal Loop

Shadows fold into the dawn
Steps repeat, the night lives on
Breath and echo, beat and bone

Eternal loop
Eternal loop
Never dark
Minds will spark

Hands of time dissolve to dust
Round and round, in loops we trust
No beginning, no return

Again again again again
Never start, never end
Again again again again

Eternal loop
Eternal loop
Never dark
Minds will spark

Eternal loop
Eternal loop
Never dark
Minds will spark

Eternal loop
