

## **Velvet Basement**

Bodies press where shadows bite  
Velvet dark, no wrong, no right  
Lust dissolves in neon night

Whispers drown in heavy bass  
Every touch erases face  
Time is lost, we keep the chase

Velvet basement  
Skin on skin  
Velvet basement  
Let me in

Velvet basement  
Let me in  
Let me in  
Let me in  
Let me in

Sweat and sin, beneath the floor  
Give me less, I'll beg for more  
Sweat and sin, above the floor  
Give me less, I'll beg for more

Velvet basement  
Skin on skin  
Velvet basement

Velvet basement  
Skin on skin

Velvet basement  
Let me in

Velvet basement  
Let me in

Let me in  
Let me in  
Let me in  
Let me in
