

Bring Out The Tanks

Sirens sing through sleepless streets,
Truth gets lost in louder beats.
We fight together
Standing close.

News repeats the end of days,
Fear gets traded, fear gets raised.
Toxic traits
Lurking close.

We are here,
We'll never quit
You burn us down
We'll never leave

We are here,
We'll never run
Bring out the tanks
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh

Markets rise, homes give way,
Tomorrow sold for yesterday.
Your greedy needs
Will come undone.

Every promise bends or breaks,

Every choice has hidden stakes.
Your fascist lair
Come undone.

We are here,
We'll never quit
You burn us down
We'll never leave

We are here,
We'll never run
Bring out the tanks
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh

Borders drawn in brand new lines,
Hearts still cross them, time by time.
We are still here,
We're still in love.

Quiet acts, red and black flags,
Small resistance, flaming rags.
Put me down, kill me twice
My blood's the seed, and peace will rise

We are here,
We'll never quit
You burn us down
We'll never leave

We are here,
We'll never run
Bring out the tanks
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh
'Till there's none

Oooh — oooh — aaah — oooh
'Till there's none
Oooh — oooh — aaah — oooh

Oooh — aaah
'Till there's none
'Till there's none
'Till there's none
