

Do We Disgust You?

Do we disgust you?
When we count coins at the till?
When we can't pay our phone bill
When we talk like we are bawdy?

Do we disgust you?
When rent eats all the month
And the month eats all the year
And the year eats off my body?

We try not to touch too much.
We try not to take much space.
We try not to sound like need.
We try not to smell like work.

Do we disgust you?
(Hmmm-Hmmm) Sorry
Do we disgust you?
(Hmmm-Hmmm) Shame
Do we disgust you?
Or we simply break the spell
With my rags bought off the shelf
That your life is not that real?
Sorry

Do we disgust you?
When we sit on the wrong bench,
Maybe live on the wrong street,
When we vote in the wrong way?

Do we disgust you?
When our clothes tell stories long
When our hands are rough enough
When we cannot eat organic?

We try not to touch too much.
We try not to take much space.
We try not to sound like need.
We try not to smell like work.

Do we disgust you?
(Hmmm-Hmmm) Sorry
Do we disgust you?
(Hmmm-Hmmm) Shame
Do we disgust you?
Or we simply break the spell
With my rags bought off the shelf
That your life is not that real?

Do we disgust you?
(Hmmm-Hmmm) Sorry
Do we disgust you?
(Hmmm-Hmmm) Shame
Do we disgust you?
Or we simply break the spell
With my rags bought off the shelf
That your life is not that real?
Sorry

Do we disgust you?
(Hmmm-Hmmm) Sorry
Do we disgust you?

(Hmmm-Hmmm) Shame
Do we disgust you?
Or we simply break the spell
With my rags bought off the shelf
That your life is not that real?
Sorry
