

I Need to Live

You stack days you'll never use,
House stays dark, doors stay closed.
I count hours, I count coins,
My life on pause, my breath on loan.

I need to live too.
Just a little.
Just enough.

You call it growth, you call it sense,
I call it waiting with no end.
You say "Later. Markets' tense",
But my hunger doesn't understand.

I need to live too.
Not later.
Not someday.

Oooh — oooh — aaah — oooh
I need to live.
Oooh — oooh — aaah — oooh
I need to live.
Oooh — oooh — aaah — oooh
Nothing to give
Oooh — oooh — aaah — oooh
I need to live.

I need to live... just like you-uh-uh-uh-oh.
I need to live... just like you-uh-uh-uh-oh.
I need to live.

I need to live...
Just like you-uh-uh-uh-oh.
I need to live.
Just like you-uh-uh-uh-oh.
I need to live.

You own excess, I owe time,
You get calm, I get grind.
Call it freedom, choice, reward
While I'm surviving by the month.

I need to live too.
Just a little.
Just enough.

Governments watch, nod along,
Call it order, call it strong.
They let you keep, they let us fall,
Say "that's life" — that is all.

I need to live too.
Not later.
Not someday.

Oooh — oooh — aaah — oooh
I need to live.
Oooh — oooh — aaah — oooh
I need to live.
Oooh — oooh — aaah — oooh
Nothing to give
Oooh — oooh — aaah — oooh

I need to live.

I need to live... just like you-uh-uh-uh-oh.

I need to live... just like you-uh-uh-uh-oh.

I need to live.

Ooh — ooh — aaah — ooh

I need to live.

Ooh — ooh — aaah — ooh

I need to live.

Ooh — ooh — aaah — ooh

Nothing to give

Ooh — ooh — aaah — ooh

I need to live.

I need to live... just like you-uh-uh-uh-oh.

I need to live... just like you-uh-uh-uh-oh.

I need to live.

I need to live.

I need to live.

I need to live.
