

## **We Are Still Here**

We are still here.  
We are still here.  
We are still here.  
And we won't disappear.

We are still here.  
We are still here.  
We are still here.  
And we won't disappear.

— What do we want?  
PEACE!  
— When do we want it?  
NOW!

— What do we want?  
PEACE!  
— When do we want it?  
NOW!

Take it all,  
We can breathe.  
Take it all,  
We still believe.

Take it all,  
No more fear.  
No more lies.  
No more tears.

Take it all.  
(Oh o-oh)

Take it all,  
We can breathe.  
Take it all,  
We still believe.

Take it all,  
No more fear.  
No more lies.  
No more tears.

Take it all.  
(Oh o-oh)

We are still here.  
We are still here.  
We are still here.  
And we won't disappear.

We are still here.  
We are still here.  
We are still here.  
And we won't disappear.

We are still here.  
We are still here.  
We are still here.  
And we won't disappear.

We are still here.

We are still here.  
We are still here.  
And we won't disappear.

(Oh o-oh)
